सत्यमेव जयते

CHIEF MINISTER
Jammu & Kashmir

MESSAGE

Jammu and Kashmir is proud to lead the way in innovation and digital transformation, setting new benchmarks through progressive reforms. These initiatives ensure transparency, efficiency in governance, real-time financial management and citizen-centric services that resonate with the aspirations of our people.

The launch of the 'JAKFAS Digital Calendar 2025' is a significant step in celebrating this transformative journey. It beautifully encapsulates the milestones of e-governance and serves as a source of awareness and inspiration for all.

I commend the Jammu and Kashmir Finance and Accounts Society (JAKFAS) for their visionary effort in highlighting the essence of 'Digital J&K' through this initiative. Let us continue to embrace technology as a powerful tool to create a brighter, more efficient and progressive Jammu and Kashmir.

Omar Abdullah

JAKFAS

2025

MESSAGE

From BEAMS to PROOF App, Digital J&K is reshaping governance with real-time monitoring, transparency, and public participation. Innovations like e-Kuber and e-GRAS simplify financial transactions, making J&K a pioneer in digital reforms. The launch of the 'JAKFAS Digital Calendar 2025' dedicated to Digital J&K is a testament to their commitment to promoting progressive governance. Applauding JAKFAS for this creative initiative, let's pledge to support and leverage these reforms for a modern, inclusive, and efficient J&K.

Shri. Santosh D. Vaidya, IAS
Principal Secretary to Govt.
Finance Department

Digital J&K

JAKFAS

2025

MESSAGE

Digital J&K is transforming lives with tools like e-Audit, e-kuber, and the Janbhagidari Portal, bringing transparency, efficiency, and citizen empowerment to the forefront. Initiatives such as JKHRMS and e-office ensure seamless administration and better governance. The 'JAKFAS Digital Calendar 2025', themed on Digital J&K, is a brilliant step to celebrate these advancements. Applauds to JAKFAS for recognizing the power of digital transformation and inspiring us all to contribute to this remarkable journey.

Shri. Fayaz Ahmad Lone,
Director General
Accounts and Treasuries
Finance Department

Digital J&K

MESSAGE

2025

It gives me immense pleasure to unveil the Jammu and Kashmir Finance & Accounts Society (JAKFAS) Digital Calendar for 2025. This initiative reflects our commitment to embracing technology and innovation in every aspect of our work and daily lives.

The digital calendar is more than a tool for organizing schedules; it symbolizes our forward-thinking approach, sustainability, and a shared vision of modernizing how we manage time and resources. By going digital, we not only contribute to environmental conservation but also foster a culture of efficiency and accessibility among our members.

Ms. Rashim Deepika
President , Jammu and Kashmir
Finance and Accounts Society(JAKFAS)

E-AUDIT

Jammu and Kashmir Govt. has introduced E- Audit, an online audit tool to enhance the transparency and accountability of Government financial processes. This platform integrates with BEAMS and JKPaySys, providing real-time financial data to streamline statutory audits and improve compliance. By automating audit workflows, generating configurable PDF reports, and serving as a record repository, E- Audit simplifies the audit process while ensuring comprehensive oversight. It enables mapping of auditors and auditees, scheduling audits, and conducting analyses efficiently, fostering a culture of financial discipline.

Digital J&K

Budget Estimation and Allocation Monitoring System (BEAMS) is an innovative online platform introduced by the J&K Finance Department to streamline and digitize budgeting processes. It ensures real-time monitoring of budget allocations, fund transfers, and expenditures, improving transparency and accountability. It is integrated with systems like JKPaySys and PROOF, allowing for real-time monitoring of work progress through geo-tagged photos and unique project codes.

E-KUBER

Jammu and Kashmir Government adopted the e- Kuber Payment System of the Reserve Bank of India on 18th February 2021 to revolutionize financial transactions. This system facilitates the simultaneous processing of up to 50,000 transactions, enabling quicker and more efficient handling of government payments, including salaries and pensions, while minimizing delays. By eliminating intermediary banks, e-Kuber ensures direct processing of financial transactions, reducing errors and enhancing transparency. It has significantly streamlined Government payment processes, promoting financial discipline and improving service delivery across the Union Territory.

Digital J&K

JKPaySys
Payment System

JK Payment System (PayManager) is an online billing system introduced in 2020-21 to streamline Government financial processes in Jammu and Kashmir. It enables digital submission of bills to treasuries, integrating electronic payments with budgetary controls. It provides a common and integrated platform for DDO's to prepare the all types of bills for booking of expenditure. The Software not only provides the facilities for Pay bill Preparation but also Preparation of DA Arrear, Arrears and Leave encashment Bills

ELECTRONIC TRANSFER ENRTRY

The introduction of e-TE, (transfer of G.P. fund balances) signifies a major leap in J&K Funds Organization's efficiency, seamlessly transferring provident funds balances across districts in online mode while eliminating the need for physical TEs. This digital approach streamlines operations, providing subscribers with a more agile and user- friendly experience.

eOffice
A DIGITAL WORKPLACE SOLUTION

e-Office solution implemented by the Government of Jammu and Kashmir as part of the Digital India Programme to modernize administrative processes and promote efficiency, transparency, and accountability. It is designed to transform the way government employees work by streamlining file movement, decision-making, and document management while significantly reducing paper usage. The platform provides a suite of applications that facilitate faster decision-making, real- time file tracking, and secure storage, making governance more responsive and accountable.

PROOF Mobile Application (Photographic Record of Onsite Facility) is a digital tool designed to enhance transparency, accountability, and efficiency in monitoring Government-funded projects. By enabling realtime updates through geo-tagged photographs, it ensures accurate tracking of project progress while promoting compliance with timelines and quality standards. It creates an accessible repository of geo-tagged records, fostering greater accountability and transparency in project implementation.

Unified, Integrated, Accessible & Transparent Portal

eUNNAT

https://eunnat.jk.gov.in/

e-UNNAT (Unified, Integrated, Accessible, and Transparent) portal is a pioneering digital initiative by the Government of Jammu and Kashmir to simplify and centralize access to Government services. It serves as a one stop platform where citizens can avail themselves of various departmental services without the hassle of navigating multiple portals or undergoing repetitive registrations. By providing a single sign-on system, the portal integrates diverse services under one umbrella, making governance more transparent, accessible, and user-friendly. Citizens can easily register and access essential certificates, approvals, and welfare schemes through a streamlined and efficient process. A transformative initiative, embracing efficiency and transparency in digital governance.

14471 TOLL FREE

Digi Dost

Doorstep delivery of services

JK DigiDost initiative is a significant step towards enhancing e-governance and ensuring efficient service delivery to the citizens of Jammu and Kashmir. Launched in collaboration between the Information Technology Department and Community Service Centre (CSC), DigiDost aims to provide a wide range of Government e-services at the doorstep of the common public for a minimal fee prescribed by the government. Through DigiDost, Citizens can easily access these services by calling the toll- free number 1447, which connects them to a dedicated team facilitating doorstep delivery of services.

Digital J&K

DIGI Sahayak

Digi Sahayak, a multilingual chatbot akin to Alexa and Siri, serves as a knowledgeable companion in navigating citizen-centric services. Its prompt responses and streamlined information delivery significantly enhance the accessibility and user friendliness of public services, especially within the ever evolving digital landscape of J&K.
